

STOKE CLIMSLAND NEIGHBOURHOOD PLAN: INITIAL QUESTIONNAIRE RESPONSES
LUCKETT DUCK DAY: 21ST JUNE 2014 (16 RESPONSES)

WHAT DO YOU THINK IS GOOD ABOUT OUR PARISH?

- * Most things.
- * Nature.
- * Good community. Great organisations. Pro-active people. Quiet, wonderful area.
- * The park. Community events (village fair). Good community spirit.
- * The people. Sense of community within a beautiful landscape. Productive farmland.
- * Community cohesion.
- * Sense of community and provision/ownership of community facilities.
- * Neighbours help each other.
- * Community events. Park.
- * Natural beauty.
- * Lockett.
- * Community spirit. Variety of community facilities.
- * Community spirit. Huge variety of clubs etc.
- * We have facilities and people willing to get involved which results in a lot of events and strong community spirit.
- * Community spirit and excellent variety of events that are inclusive to all.
- * Excellent magazine.

WHAT DO YOU THINK COULD BE BETTER ABOUT OUR PARISH?

- * Providing social opportunities/venues for teenagers. Ie. Social nights at Old School.
- * More housing.
- * Recreation and leisure facilities. Transport.
- * Transport – more frequent buses. More wi-fi access. More areas for teenagers to meet. A pub.
- * Not to over-develop it.
- * Public transport links.
- * Availability of housing and planning strategy to enable local people to buy/build houses in the local area.
- * More lighting.
- * Transport – more. Teens being allowed on the park. Free wi-fi access. Pub.
- * Road maintenance.
- * Pot holes. Traffic parked outside of school.
- * Facilities for teenagers and younger groups.
- * Houses for young people.
- * Traffic calming measures.
- * More events for older children. Traffic calming measures. Ways of encouraging young families to the parish.
- * More parking at school times.

WHAT PRESSURES DO YOU THINK AFFECT OUR PARISH NOW OR IN THE FUTURE?

- * People.
- * Finances.
- * Affordable housing.
- * Housing needs. Industrial use of land with inappropriate transport access and associated problems with noise and pollution.
- * The pressure to build affordable housing.
- * Housing availability related to planning strategy and jobs.
- * Affordable housing. Nothing for teens.
- * Low employment.
- * Finance. Everyone getting older.

- * Lack of jobs, affordable housing. Retention of all age groups in community.
- * House prices for younger people.
- * Housing for young people so that we retain some youngsters.
- * Traffic. Social service facilities.
- * Finance – or lack of it.

ARE THERE ANY TOPICS YOU THINK WE'VE MISSED?

- * No.
- * No.
- * Crime/policing.
- * No.
- * Traffic issues at Stoke school.
- * No mobile phone connection.
