5. Finance

- Presentation of Accounts: The current fund stands at £4,454.15. It was unanimously AGREED to accept the accounts as a true record.
- New Bank Account – update on progress:
Setting up the new Lloyds account has been delayed by the problem of getting Lloyds to accept MH as a trustee. MH and RJ have visited the Callington Branch several times and many phone calls have been made. The problem is with the local branch and a lack of communication links between different departments. To take Martin off the mandate involves filling out the forms again.
No cheques have been issued so far in 2019.
